

Pursuant to Articles 41-43 of the Innovation Law ("Official Gazette of RS", nos. 110/05 and 18/10), Annex 1 of the Administration Agreement between the European Union, represented by the Commission of the European Communities and the International Bank for Reconstruction and Development and Schedule 1 of the EC IPA Grant Agreement # TF011257 (Grant Agreement) between the Republic of Serbia and the International Bank for Reconstruction and Development, acting as administrator of the European Commission for the European Union Instrument for Pre-Accession Assistance Trust Fund, and in accordance with the MATCHING GRANTS Program Manual, developed for the

Innovation Serbia Project

On March 29th, 2012

The Innovation Fund

Announces

Call for Applications Under the MATCHING GRANTS Program

Objectives of the program are to stimulate commercialization of R&D and further knowledge-based development of innovative enterprises, to stimulate establishment of collaboration/partnerships with international companies/organizations and to increase the number of technology based companies and prepare them for additional investment opportunities.

Deadline for submission of applications is

August 31st, 2012 at 5 pm.

Online application portal and all relevant information can be found at:

www.innovationfund.rs

For additional information, please contact Innovation Fund Program Managers at:

matchinggrants@innovationfund.rs

Financing for the MATCHING GRANTS Program is provided by Serbia Innovation Project, funded by European Union Instrument for Pre-Accession Assistance (IPA), administered by the World Bank.
